Introduction

Salesforce is the world's #1 **CRM** (Customer Relationship Management) where it unites Marketing, Sales, Commerce, IT etc teams to their customers to deliver a better service.

We are determined to teach this emerging Technology in a very realistic and fun way. We have organized the challenges in such a way that the learner will be able to learn salesforce in a very enthusiastic and fun way with a limited time participation.

This program consists of live sessions, Hands-on practical activities, Mentoring support and working on super badges on Trailhead platform.

In order to help all beginners understand the salesforce ecosystem and its products, we have curated a few best modules on the trailhead platform that will help you to get ready for the Bootcamp.

Suggested Prerequisites

This section is to provide the candidates a quick look at the salesforce environment. Though this section is not mandatory, we highly recommend the candidates to go through the below mentioned modules. You will be very well acquainted with the platform and also with the usage of Trailhead from the very beginning. (Recommended for beginners).

Project / SuperBadges

The learner's journey is structured in such a way that , after completion of the live sessions and all trailhead courses modules, the SuperBadges are unlocked automatically. The Learner who chooses admin as his learning path, needs to complete the following SuperBadges.

Icon	SuperBadge Name	Trailhead Link
	Business Administration Specialist	https://trailhead.salesforce.com/en/content/lear n/superbadges/superbadge business specialist
	Lightning Experience Reports and Dashboards Specialist	https://trailhead.salesforce.com/en/content/lear n/superbadges/superbadge-lex-rd
	Security Specialist	https://trailhead.salesforce.com/en/content/lear n/superbadges/superbadge_security

The learner will be given 20-25 days of time for completion of the above SuperBadges.

Ask a Mentor Sessions

After assigning the projects/Superbadges for the learners, if they face any challenge in completion of the activities or modules, we organize expert mentoring sessions to address the queries learners have. 2 mentoring sessions will be organized per week.

Submissions

Each learner's journey and completion status is tracked through SmartInternz platform. learners will be asked to update the status of their work regularly to track their progress and assist accordingly.

Verification

We will verify the progress of each learner on the SmartInternz platform. It is mandatory for all the learners to complete the above prescribed course modules and super badges to fulfill.

Soft Skills Training

After the successful submission of the project/super badge, the Learners will be provided with 10 Hrs of soft skills training sessions to help learners with Interview skills, Profile building and presentation skills etc. This will benefit them during career fairs.

Certificate Generation

After successful verification of the project/super badges along with the prescribed completions on trailhead, Virtual Internship Completion Certificate will be generated on SmartInternz.

Career Fair

After successful completion of the program, the final year learners who will qualify the eligibility of career fair will be allowed to join the career fair organised on the regular intervals for career connection opportunities.
